The Primary Purpose

Oklahoma Sports & Fitness Magazine is focused on **educating, inspiring, motivating, and entertaining** athletes of all levels and abilities in the state of Oklahoma and the surrounding region.

Enhanced Exposure: More Magazines and Online

Oklahoma Sports & Fitness is available free to the public at over 195 locations throughout the state and region. These locations include specialty running stores, bicycle shops, fitness facilities, coffee shops, various restaurants, book retailers, and physician offices.

The Oklahoma Sports & Fitness website

includes an interactive online edition of each issue.

Furthermore, our website offers the most comprehensive event calendar in the region.

Oklahoma Sports & Fitness has a readership over 17,800 per issue, including paid subscriptions, free distribution and online interactive editions.

Defined Target Audience

As an advertiser, your highest priority is to get your event, product, or services in front of your primary target audience.

When you advertise to a general audience through a local newspaper or periodical, you take a stab in the dark that those interested in health & fitness will even see your message.

Oklahoma Sports & Fitness takes the guesswork out of who exactly will be viewing your advertisements.
